

FonePays

The New Way to Pay

*Fast,
Friendly,
Fantastic!*

FonePays Solutions

What is FonePays?

FonePays provides consumers with the ability to pay for goods and services in a fast, efficient and secure way with their cell phone.

How does FonePays work?

FonePays works like a credit/debit transaction without the card. Users will have purchases automatically withdrawn from their bank account.

Is FonePays a secure process?

FonePays is a very secure process. Since the transactions are managed by the account owner and not by a cashier, there is reduced amount of fraud. FonePays is compliant with all current standards.

What cell phones does FonePays work with?

FonePays technology works with all cell phones sold today.

How do I sign up?

Cell phone users can sign up at www.FonePays.com
Merchants can sign up at www.FonePays.net

FonePays Marketing

FonePays also offers a suite of unique marketing opportunities to merchants:

- Strategically reach out to your specific target market
- BOGO (buy one get one)
- Free product or service (Free breakfast sandwich with coffee purchase, Kids eat free with each adult purchase...)
- Discount – 10%, 20%, 50% off...
- Advertise an event (Bookstore author signing, puppet show, Fundraising event, New product/service, etc...)
- Your customers will have 24/7 access to your special offerings and/or coupons versus your competition
- Differentiate your company as being a market leader!
